

### Pre-Lecture Questionnaire

1. What do you already know about quantum computing?
  2. On a scale from 1-10, how confident do you feel about your understanding of quantum computing?
  3. What specific aspects of quantum computing are you most interested in learning about?
- 

### Post-Lecture Questionnaire

1. On a scale of 1 to 10, how would you rate your understanding of quantum computing now compared to before the lecture?
2. What did you enjoy most about the lecture? What had you engaged? Why?
3. What did you enjoy least about the lecture? What had you dozing off? Why?
4. Were there any concepts or ideas that were particularly challenging or difficult to grasp during the lecture?
5. What aspects of the lecture format or delivery do you think could be improved?
